General Information

TIME: Sale will be held at the Thorp Metz Farm, Williamsville, Illinois, on Tuesday, November 3, 1959, starting promptly at 12:00 o'clock noon, Central Standard Time.

LOCATION: The Metz Farm is located one mile southeast of Williamsville on a good graveled road. The farm is 15 miles north of Springfield, Illinois, and 15 miles south of Lincoln, Illinois. Excellent train connections from Springfield to Chicago and St. Louis. Frequent bus transportation in every direction. Springfield is on main air travel routes and there are airports at both Springfield and Lincoln.

LUNCH: Lunch will be served at the farm by the ladies of the church.

HEADQUARTERS: Since this sale is to be held on Tuesday, November, 3rd, and most visitors will want to spend Monday at Leveldale Farms, we will use the same headquarters. The Mathers Sale will be held at Leveldale Farms, Mason City, Illinois, on Monday, November 2nd. The two farms are only 30 miles apart. For those who do not have cars we will be glad to provide transportation between farms or to and from the hotels. Most guests from a distance will stay at either the Abraham Lincoln Hotel in Springfield or the Lincoln Hotel in Lincoln, Illinois. Reservations may be made direct or we will be glad to make them for you if you will advise us.

MAIL BIDS: Those wishing to buy at this sale, who cannot attend in person, may send their bids to the following reliable agents: Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.; Don Longley, fieldman, The Shorthorn World, 16 S. Locust St., Aurora, Ill.; Kenneth Fulk, Secretary, American Shorthorn Breeders' Association, Live Stock Exchange Building, Stock Yards, Omaha 7, Neb.; or to the auctioneers.

PLEASE BRING THIS CATALOG WITH YOU!

You will recognize this picture as having appeared recently on the front cover of *The Shorthorn World*. These are the kind of bulls that are being produced by Dr. A. H. Weiland on his beautiful Elmcrest Farms at Pawnee, Illinois. They are sons of Imp. Phopachy Huntsman and of the many times grand champion Leveldale Capitol. Three of the bulls pictured above are being offered in this sale.

Welcome to Metz Farm

Although I was aware when I reduced the size of my herd two years ago that I could not participate heavily in sales for a few years, I made it plain at the time that the Metz Farm Invitational Sale was to be continued as usual on an annual basis. Naturally the first invitations were to the former consignors and they have supplied better cattle than ever before. Next we invited certain out-of-state breeders who had been steady buyers of top animals in former Metz Farm Sales. We were pleased indeed when Bill Boutell again agreed to consign 8 head of the best from his strong Bilmar Herd in Michigan and equally pleased when Otto Johnson offered to consign two of his best. Otto has been one of our top buyers and we are glad to have him as a seller. We have a great offering from eleven top midwestern herds and I am proud to offer the Metz Farm facilities to such a fine group of breeders.

My own herd now maintained in partnership with Lyle Imig, is smaller in numbers but stronger in quality than ever before. At the time of our reduction sale we held back one or two members of our choicest imported families and we are fast building the herd up to former size.

We hope you will do us the honor of attending this sale. The pedigrees are the kind that insure top performance and the cattle back them up. We have all been heavy buyers of Mathers bred and Mathers imported animals, hence the tie-in with the Leveldale Sale is a natural. Speaking for all of the consignors, I bid you welcome.

THORP METZ

Typical productions of the Bilmar Herd. Those who bought from the Bilmar consignment to this sale last year were highly pleased. Five more females of the same pattern and three great young herd bull prospects will be offered by Bilmar Farm this year.

VERY IMPORTANT DATES

WANT TO MAKE AN INTERESTING TRIP — A trip that will be filled to the brim with pleasure and profit? Then follow this itinerary: **SUNDAY, NOVEMBER 1:** This is a day for study and inspection. The Mathers Farm and Metz Farm are only 30 miles apart, and you can easily inspect the two breeding herds and the two sale offerings in one day. We will supply transportation between farms to those who do not have cars.

MONDAY, NOVEMBER 2: Attend the Mathers Sale at Leveldale Farm, Mason City, Illinois.

TUESDAY, NOVEMBER 3: Attend the Metz Farm Invitational Sale at Metz Farm, Williamsville, Illinois.

If you prefer to stay in Springfield (15 miles from Metz Farm) we suggest the Abraham Lincoln Hotel. The town of Lincoln, Illinois, is midway between Metz Farm and Leveldale Farm. The Lincoln Hotel at Lincoln is a favorite spot for visiting cattlemen, and there are a number of excellent motels on the outskirts of Lincoln. We will be glad to make reservations for you if you will advise the kind of accommodations you want and the number of persons in your party. Write Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

These four beautiful heifers were produced in the herd owned by Malcolm Tucker & Son, Chrisman, Illinois. The two heifers at the right, S & T Beauty 11th and S & T Jewel 5th will sell in this sale as Lots 31 and 32.

A Word From the Sale Manager

I wish that more sales of this kind could be developed because, in my opinion, they provide wonderful buying opportunities. It is true that Thorp Metz is not able to consign as many as formerly but his herd is again growing in size and strength and his interest in the breed is as great as ever. It was his wish that this sale be continued annually on the day following the Mathers Sale and he has made the excellent facilities of his beautiful farm available for this purpose.

Again this year the scope of this sale has been enlarged with resultant improvement in the offering. Eighteen bulls and 31 females have been inspected and accepted and from the standpoint of pedigree and quality, the offering will compare favorably with the best of the year.

It has been a pleasant experience to serve as manager of this sale since it started in 1953 and a great satisfaction to receive fine reports from those who have made purchases. Few annual auctions can boast of a greater percentage of repeat buyers, a fact that should prompt even wider patronage for the cattle that are to be offered this year. Elsewhere in this catalog is a list of those who have bought in former sales at Metz Farm. We are proud of this list and pleased that the cattle offered each year have contributed something to the breed. This is a natural sale for you to attend because it occurs on the day following the Mathers Sale and because the right kind of Shorthorns are being offered by the right kind of men.

HAL LONGLEY, Publisher

The Shorthorn World.

Here are the people who have patronized the sales at Metz Farm. We thank them all and wish them success with the cattle they have purchased here. It is our hope that your name may be included following the sale on November 3rd. Please note that breeders from fourteen states and Canada are represented in this list of buyers—convincing proof that the cattle in former sales have been appreciated.

A Word About the Metz Invitational Sale

Annually, since 1953, we have invited neighboring breeders from Central Illinois to join us in a sale at Metz Farm. They have rallied to our support by supplying their top productions and those who have bought them have been enthusiastic in praising their performance. This year we have included two out-of-state breeders who have been strong supporters of our former sales. The offering is better than ever with 18 top herd bull prospects and 31 richly bred females. This is strictly a PRODUCTION SALE and no animals bought by speculators for resale purposes are included.

S & T BROADHOOKS 9th—A very deep bodied, heavy boned heifer by our senior herd bull Kickapoo Mainliner. This Broadhooks family is perhaps our most prolific and all of the females of this family have nicked exceptionally well with Leveldale Caesar. We have two bulls in our 1959 show herd out of cows of this family, one being our senior bull calf that placed second at the Illinois State Fair. This heifer is carrying the service of Leveldale Caesar since June and she is certain to produce a great calf.

Leveldale Caesar, International senior champion and now siring champions for Malcolm Tucker & Son. One of his daughters was named grand champion at the Illinois State Fair and four of his calves won second prize in the strong get-of-sire class at the same show. Three bulls and two heifers in this sale are by him, three other heifers are carrying his service.

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
